

CHEMICAL STORAGE TANKS

FOR THE OIL & GAS INDUSTRY

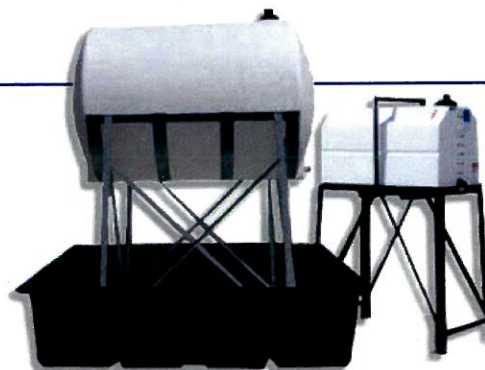

www.norwescocanada.com

Norwesco is proud to be the world's largest manufacturer of molded poly tanks. Our tanks are manufactured to strict quality guidelines to ensure years of high-performance use. Our vertical, horizontal and secondary containment tanks are rugged, impact-resistant, one-piece seamless polyethylene construction making our tanks suitable for a wide range of industrial chemicals.

HORIZONTAL CHEMICAL TANKS

Our horizontal chemical tanks are most commonly used in the oil and gas industry along with a variety of industrial applications. These tanks are made to sit on our 4ft stands and are complete with a 5" threaded fill cap, 2" combivent, 1" NPT stainless steel bolted discharge, polyethylene crosslink gasket and ground clamp. (Ladders are available)

Part No.	Imperial Gallons	Litres	Length (in)	Width (in)	Height (in)	Lid Size (in)	SS Fitting Size (in)
41111	90	400	47"	23"	28"	5"	1"
41113	180	800	58"	29"	35"	5"	1"
41114	200	900	68"	35" Dia		5"	1"
41654	300	1360	83"	41" Dia		5"	1"
41655	500	2270	78"	52.5" Dia		5"	1"
41656	1000	4540	103"	64" Dia		5"	1"

DOUBLE WALL TANKS

Our Double Wall Tanks, tank within a tank, are designed to eliminate the use of a containment basin. The all in one containment system makes for ease of handling and installation. Like our Horizontal Chemical Tanks, the 100, 300, 500 and 1000 gallon tanks are made to sit in our 4ft stands and have a 1" NPT stainless steel bolted discharge, cross-link gasket and ground clamp.

CONTAINMENT BASINS

The one piece, seamless construction of our molded plastic containment basins are designed to protect the environment. They eliminate dangerous and costly spills and leaks from contaminating soils and shop floors. Our containment basins are designed to provide 110% containment, meeting the G55 regulations. The containment basins are manufactured black in colour to enhance the solar evaporation process of unwanted rain and snow.

Part No.	Imperial Gallons	Litres	Length (in)	Width (in)	Height (in)
